

Languages Faculty Transition work – Spanish

I've listed some websites below that we use in Languages to help us learn and practise vocabulary. I have highlighted areas that would be useful to do before September.

Pages 8-29	
1.4	¡... y que cumplas muchos más!
1.7	Saying and understanding dates
1.8	Using a variety of question words
1.9	Mis preferencias
1.10	Learning colours
1.11	Giving basic opinions
1.12	¡Tod@s a clase!
	Learning classroom items and language

www.blooket.com You can create an account and then on the 'discover' tab search for Spanish numbers, Spanish family members, Spanish colours, Spanish animals, Spanish sports. There are lots of games to help you learn the vocabulary.

www.linguascope.com (username=deerpark / password = cdpsmf). Click on the Spanish flag in the elementary section. Complete any of the sections.
