

# SGS Berkeley Green UTC

Today's Education for Tomorrow's Careers

# About Us

At SGS Berkeley Green UTC students join us for their GCSEs or A Levels and Technical Qualifications. We specialise in **Engineering, Digital Technologies** and **Cyber Security** qualifications.

Students thrive when they study our vocational qualifications in a truly unique and dynamic learning environment.

Regularly working closely with industry leaders, gives students a competitive edge when looking for employment within their specialised subjects.

# Benefits of Studying with SGS Berkeley Green UTC

- ▶ Learn from experienced professionals
